For any info please contact us at info@parkworldtour.org

Useful information:

1. The event centre is located in a hotel, where you can also book accommodation.

You can book the rooms through HANA Orienteering:

www.hanaorienteering.cz brko@hanaorienteering.cz

Approximate rate 60/70€ per person per night with half board in a shared room.

We recommend this hotel / area for your accommodation.

2. You can also choose to find your own accommodation.

The west coast is more touristy, with many resorts and services and the ocean there is calmer. However, travelling from the west coast to the events can be challenging, as you have to drive through the capital city, Port Louis, which is very trafficated anytime, especially during the rush hours.

The north part of the island is also touristy, with hotels, resorts, and services, but with easier traffic circulation.

The east and the south part of the island are less touristy.

The east coast is said to have more waves, but in the area of Palmar Beach / Trou d'Eau there is the coral reef 200m from the beach, which protects from the strongest waves.

3. There is no train line in Mauritius.

There are public buses: <https://www.mauritius-buses.com/>

However, we suggest you to rent a car or ask the travel agencies for transport services from hotel to races.

4. Weather: The average high in Mauritius during November is 29°C, with evenings staying nice and warm at 20°C. The sea temperature is around 25°C. It can rain with heavy showers for short times.

5. Other travel agencies working with us:

Ulu's Reisewelt – Switzerland: ulu@sunrise.ch (Mr. Ulu Aeschlimann)

PWT Travel Sweden: info@pwttravel.se (Mr. Per Spik)

WELCOME TO MAURITIUS
